

Looking for Health Insurance that Fits Your Health Needs and Your Budget?

Medicaid or CHIP May Be the Answer! You Can Enroll Any Time—But Why Wait?

Medicaid and the Children's Health Insurance Program (CHIP) offer low-cost or free health insurance for you and your family. In many states, more adults than ever before may qualify for Medicaid.

Who may be eligible?

- Children and teens up to age 19
- Parents (and other adults, depending on the state)
- Pregnant women
- People with disabilities
- Youth "aging out" of foster care

Eligibility depends on income, the size of your family and the rules in your state.

When you enroll, you can get:

- Doctor visits
- Preventive care, such as immunizations, mammograms & colonoscopy
- Prenatal and maternity care
- Hospital stays
- Mental health care
- Needed medications
- Children get vision and dental care (adults may get these benefits too)

American Indians and Alaska Natives who are eligible for Medicaid or CHIP:

- Can still get care from your Indian care provider.
- Don't have to pay premiums or co-payments.
- Indian trust income is not counted to determine eligibility and is protected from Medicaid estate recovery rules.

You benefit by having greater access to health care services.

Tribes benefit because their health programs get more resources.
